Intimation of Disapproval under Section 346 of the Bombay Municipal Corporation Act, as amended up to date.

No. H. B./C/M B.M.A. of 199 -199
No. GE/3274/BPES/AL

Municipal Officer.

Bombay, 22 JUL 1999

MEMORANDUM
To:

M/s. G.A. Arabmaji & Co. Pr. H.R. Society Ltd.

With reference to your Notice, letter No.199 and delivered on

.....199 and the plans, Sections, Specifications and Description and further particulars and details of your building at Proposed Bldg. No. 'A' on plot bearing S.No. 14, village Kurla (E), Kangar Nagar, Kurla.

furnished to me under your letter, dated199. I have to inform you that I cannot approve of the building or work proposed to be erected or executed, and I therefore hereby formally intimate to you, under Section 346 of the Bombay Municipal Corporation Act, as amended up-to-date, my disapproval by thereof reasons :-

- A. That the letter from the owner appointing registered structural engineer is not submitted & the structural designs & calculations for proposed work are not submitted through him alongwith the supervision memo before starting the work.
- B. That compound wall is not constructed clear of road widening line with foundation below the level of the bottom of road side drain without obstructing the flow of rain water from adjoining holding to prove the possession of the holding before starting the work.
- C. That the notice u/n. 347(1) (an) of the Bombay Municipal Corporation Act will not be sent for intimating the date of commencement of the work & intimation will not be sent to this office for checking the open spaces & building dimensions as soon as the plinth work is completed.
- D. That certificate under sec. 270A of Bombay Municipal Corporation Act will not be obtained from H.E. regarding sufficiency of water supply.
- E. That clearance certificate from Assessment Department regarding upto date payment of Municipal taxes etc. will not be submitted.
- F. That adequate No. of trees will not be planted at site as per the standard requirements.
- G. That adequate care will not be taken to safeguard the trees existing on the plot while carrying out the construction work.
- H. That adequate & decent temporary sanitary accommodation will not be provided for construction workers at site before starting the work.
- I. That the arrangement for moveable refuse container of 1 Cu.m. capacity as per the specifications of Chief Engineer (Solid Waste Management) shall not be provided on site before submitting Building Completion Certificate.
- J. That the requirements of bye law 4(c) will not be complied with before starting the drainage work & in case municipal sewer is not laid, the drainage work will not be carried out as per the requirements of Executive Engineer (Sewerage Project). Planning & completion certificate from him will not be submitted.
- K. That surrounding open spaces, parking spaces & terraces will not be properly consolidated, paved with concrete, asphalt or ladi, sloped & drained.
- L. That certificate to the effect that the licensed surveyor has effectively supervised the work & has carried out tests for checking leakages through sanitary blocks, terraces, fixtures, joints in drainage pipes etc. & that the workmanship is found very satisfactory shall not be submitted.
- M. That the requirements of bye law 3(b&c) will not be complied with as the sanitary block lobbies do not abut open space.
- N. That three sets of plans mounted on canvas will not be submitted.
- O. That the copy of the Intimation of Disapproval conditions & other layout or sub-division conditions imposed by the Corporation in connection with the development at the site shall not be given to the would be purchaser and also displayed at site.

..2/-

- (21) If it is proposed to demolish the existing structures by negotiations with the tenants, under the circumstances, the work at an approved place should not be taken up in hand unless the City Engineer is satisfied with the following --
- (i) Specific plans in respect of existing or rehousing the existing tenants on your existing plot number and the area in occupation of each.
 - (ii) Specifically signed agreement between you and the existing tenants that they are willing to avail of the alternative accommodation in the proposed structure at standard rent.
 - (iii) Plans showing the phased programme of construction has to be duly approved by this office before starting the work so as not to contravene at any stage of construction, the Development Control Rules regarding open spaces, light and ventilation of existing structure.
- (22) In case of extension to existing building, blocking of existing windows of rooms deriving light and air from other sides should be done first before starting the work.
- (23) In case of additional floor no work should be start or during monsoon which will cause arise water leakage and consequent nuisance to the tenants staying on the floor below.
- (24) The bottom of the over head storage work above the finished level of the terrace shall not be more than 1 metre.
- (25) The work should not be started above first floor level unless the No Objection Certificate from the Civil Aviation Authorities, where necessary, is obtained.
- (26) It is to be understood that the foundations must be excavated down to hard soil.
- (27) The position of the stairs and other appurtenances in the building should be so arranged as not to necessitate the laying of drains inside the building.
- (28) The water arrangements must be carried out in strict accordance with the Municipal requirements.
- (29) No new well, tank, pond, cistern or fountain shall be dug or constructed without the previous permission in writing of the Municipal Commissioner for Greater Bombay, as required in Section 241-A of the Municipal Corporation Act.
- (30) All gully traps and open drains shall be provided with tight fitting mosquito proof covers made of wrought iron plates or hinges. The manholes of all laterals shall be covered with a properly fitting mosquito proof lugged cast iron cap over in one piece, with locking arrangement provided with a bolt and hinge secured on tightly serving the purpose of a lock and the warning pipes of the riser protected with screw or dome shape pipes (like a garden hose) with copper pipes with perforations each not exceeding 1.5 mm. in diameter. The cistern shall be made easily, safely and permanently accessible by providing a firmly fixed iron ladder, the upper ends of the ladder should be earmarked and extended 60 cms. above the top where they are to be fixed and its lower ends in cement concrete blocks.
- (31) No broken bottles should be fixed over boundary walls. This prohibition refers only to broken bottles and not to the use of piece glass for coping over compound wall.
- (32) Louvers should be provided as required by Bye-law No. 5(b).
- (a) Lintels or Arches should be provided over Door and Window openings.
 - (b) The drains should be laid as require under Section 234-1(e).
 - (c) The inspection chamber should be plastered inside and outside.
- (33) If the proposed addition is intended to be carried out on old foundations and structures, you will do so at your own risk.

NOTES

- (1) The work should not be started unless objections are complied with.
- (2) A certified set of latest approved plans shall be displayed on site at the time of commencement of the work and during the progress of the construction work.
- (3) Temporary permission on payment of deposit should be obtained for any shed to house and store for constructional purposes. Residence of workmen shall not be allowed on site. The temporary structures for storing constructional materials shall be demolished before submission of Building completion certificate and a certificate signed by Architect submitted along with the building completion certificate.
- (4) Temporary sanitary accommodation on full flushing system with necessary drainage arrangement should be provided on site for workers, before starting the work.
- (5) Water connection for constructional purposes will not be given until the hoarding is constructed and application is made to the Ward Officer with the required deposit for the construction of carriage entrance, over the road side drain.
- (6) The owners shall intimate the Hydraulic Engineer or his representative in Wards atleast 15 days prior to the date at which the proposed construction work is taken in hand that the water existing in the compound will be utilized for their construction works and they will not use any Municipal Water for construction purposes. Failing this, it will be presumed that Municipal tap water has been consumed on the construction work and bills preferred ~~against them~~ accordingly.
- (7) The hoarding or screen wall for supporting the deposit of building materials shall be constructed before starting any work even though no materials may be expected to be stored in front of the property. The scaffoldings, bricks, metal, sand, pipe, debris, etc., should not be deposited over footpaths or public street by the owner/architect/contractors, etc., without obtaining prior permission from the Ward Officer of the area.
- (8) The work should not be started unless the manner in obviating all the objections is approved by this department.
- (9) No work should be started unless the structural design is approved.
- (10) The work above plinth should not be started before the same is shown to this office Sub-Engineer concerned and acknowledgement obtained from him regarding correctness of the open spaces and dimension.
- (11) The application for sewer street connections, if necessary, should be made simultaneously with commencement of the work as the Municipal Corporation will require time to consider alternative site to avoid the excavation of the road and footpath.
- (12) All the terms and conditions of the approved layout/sub-division under No. _____ of _____ should be adhered to and complied with.
- (13) No Building/Drainage Completion Certificate will be accepted on water connection granted (except for the construction purposes) unless road is constructed to the satisfaction of the Municipal Commissioner as per the provision of Section 345 of the Bombay Municipal Corporation Act and as per the terms and conditions for sanction to the layout.
- (14) Recreation ground or amenity open space should be developed before submission of Building Completion Certificate.
- (15) The access road to the full width shall be constructed in water bound macadam before commencing work and should be complete to the satisfaction of Municipal Commissioner including asphaltting lighting and drainage before submission of the Building Completion Certificate.
- (16) Flow of water through adjoining holding or culvert, if any should be maintained unobstructed.
- (17) The surrounding open spaces around the building should be consolidated in concrete having broken glass pieces at the rate of 125 cubic metres per 10 Sq. metres below payment.
- (18) The compound wall or fencing should be constructed clear of the road widening line with foundation below level of bottom of road side drain without obstructing flow of rain water from adjoining holding before starting the work to prove the owner's holding.
- (19) No work should be started unless the existing structures proposed to be demolished are demolished.
- (20) This Intimation of Disapproval is given exclusively for the purposes of enabling you to proceed further with the arrangements of obtaining No Objection Certificate from the Housing Commissioner under Section 13(b) (ii) of the Rent Act and in the event of your proceeding with the work either without an intimation about commencing the work under Section 347(1) (aa) or your starting the work without removing the structures proposed to be removed the act shall be taken as a severe breach of the conditions under which this Intimation of Disapproval is issued and the sanction will be revoked and the commencement certificate granted under Section 45 of the Maharashtra Regional and Town Planning Act, 1966, (12 of the Town Planning Act), will be withdrawn.

() That the drains gutters and down pipes be kept in good repair to be put to prevent water dripping from the leaves of the roof on the public street.

() That the drainage work generally if not intended to be executed in accordance with the Municipal requirements.

Subject to your so modifying your intention as to obviate the before mentioned objections and meet by requirements, but not otherwise you will be at liberty to proceed with the said building or work at any time before the 21st day of July 1919, but not so as to contravene any of the provisions of the said Act, as amended as aforesaid or any rules, regulations or by-law made under that Act at the time in force.

Your attention is drawn to the Special Instructions and Notes accompanying this Intimation of Disapproval.

[Signature]
Executive Engineer, Building Proposals,
Zone, Wards.

SPECIAL INSTRUCTIONS.

(1) THIS INTIMATION GIVES NO RIGHT TO BUILD UPON GROUND WHICH IS NOT YOUR PROPERTY.

(2) Under Section 63 of the Bombay Municipal Corporation Act, as amended, the Municipal Commissioner for Greater Bombay has empowered the City Engineer to exercise, perform and discharge the powers, duties and functions conferred and imposed upon and vested in the Commissioner by Section 346 of the said Act.

(3) Under Byelaw, No. 8 of the Commissioner has fixed the following levels :-

"Every person who shall erect a new domestic building shall cause the same to be built so that every part of the plinth shall be-

(a) Not less than 2 feet (60 cms.) above the centre of the adjoining street at the nearest point at which the drain from such building can be connected with the sewer than existing or thereafter to be laid in such street.

(b) Not less than 2 feet (60 cms.) above every portion of the ground within 5 feet (160 cms.) of such building.

(c) Not less than 92 ft () metres above Town Hall Datum."

(4) Your attention is invited to the provisions of Section 152 of the Act whereby the person liable to pay property taxes is required to give notice of erection of a new building or occupation of a building which has been vacant, to the Commissioner, within fifteen days of the completion or of the occupation whichever first occurs. Thus compliance with this provision is punishable under Section 471 of the Act irrespective of the fact that the valuation of the premises will be liable to be revised under Section 167 of the Act, from the earliest possible date in the current year in which the completion or occupation is detected by the Assessor and Collector's Department.

(5) Your attention is further drawn to the provision of Section 353-A about the necessity of submitting occupation certificate with a view to enable the Municipal Commissioner for Greater Bombay to inspect your premises and to grant a permission before occupation and to levy penalty for non-compliance under Section 471 if necessary.

(6) Proposed date of commencement of work should be communicated as per requirements of Section 347 (1) (a) of the Bombay Municipal Corporation Act.

(7) One more copy of the block plan should be submitted for the Collector, Bombay Suburbs District.

(8) Necessary permission for Non-agricultural use of the land shall be obtained from the Collector Bombay Suburban District before the work is started. The Non-agricultural assessment shall be paid at the site that may be fixed by the Collector, under the Land Revenue Code and Rules thereunder.

Attention is drawn to the notes accompanying this Intimation of Disapproval.

25. That the registered undertaking from the owners/developers for demolition of the extra area if found constructed beyond the permissible limit at the risk and cost of owner/developer will not be submitted and the necessary security deposit of Rs.3,005.00 will not be paid before asking for commencement certificate.
26. That the development charges amounting to Rs.84,110/- in view of amendments in M.R.T.P. Act 1992 will not be paid before asking for commencement certificate.
27. That the Indemnity Bond indemnifying the Municipal Corporation of Greater Bombay against any accident, risk, damage during the progress of the work will not be submitted before asking for commencement certificate.
28. That a common antenna will not be provided for the benefit of all members of the building.
29. That all conditions mentioned in this I.O.D. shall not be complied with and refund of security deposit shall not be claimed within 6 years from the date of issue of the I.O.D.
30. That N.C.C. from A.E.W.W. 'L' Ward will not be submitted for additional water and sewerage charges.

NOTE: The work shall be started after compliance of objections: H, W, Y, Z3, Z4

2) The C.C. will be issued after compliance of objections: A, B, E, F, G, R, X, Z5, Z6, Z7, Z10
