**Subject: Confirmation Regarding Building No.5 for Occupancy Certificate (OC)**

Dear Sir/Madam,

I am writing to you as the secretary of Oasis Co-operative Housing Society Limited, to provide clarification regarding the Occupancy Certificate (OC) associated with a particular unit in our complex. This communication is in response to your recent inquiry regarding the building number mentioned in the agreement.

As per the information available to us, it is confirmed that the agreement for Flat 303 in OASIS Wing B belongs to Mr. Vivek Nagarajan and is situated in Building No. 5 of our apartment complex.

It has come to our attention that the building number for this unit was not explicitly mentioned in the agreement. However, based on the existing records and the OC number associated with the unit, it is evident that the OC is indeed applicable to Building No. 5, Flat B-303, which belongs to Mr. Vivek Nagarajan.

We understand the importance of accurate information for banking procedures, and we are taking the necessary steps to ensure that any discrepancies are rectified promptly. We apologize for any confusion caused by the omission of the building number in the agreement, and we will address this matter internally to prevent any future occurrences.

If you require any further documentation or clarification regarding this matter, please do not hesitate to contact us at your convenience. We value your cooperation and understanding in this regard.

Thank you for your attention to this matter.

Yours sincerely,

For, Oasis Co Op. Hsg. Soc. Ltd.

  
Secretary  
(V. Balakrishnan)
