MEMORANDUM

C.B./IV

MUNICIPAL OFFICE,

BOMBAY/BANDRA 26th February 1966.

To Shri Somnath Seth, Chief Proprietor of the Shiv Chhaya Co-op. Housing Society Ltd.

With reference to your Notice, letter No. \_\_\_\_\_ dated \_\_\_\_\_ 196 \_\_\_\_\_ and delivered on \_\_\_\_\_ and the Plans, Sections, Specifications and Description and further particulars and details of your building at Gundavli, Andheri, N.A. 22

(furnished to me under your letter, dated \_\_\_\_\_ 196 \_\_\_\_\_) I beg to inform you that I cannot approve of the building or work proposed to be erected or executed, and I therefore hereby formally intimate to you, under Section 346 of the Bombay Municipal Corporation Act, as amended up-to-date, my disapproval thereof by reason:-

- (A) ~~That one set of plans mounted on canvas has not been submitted.~~
- (B) ~~That the requirements of byelaws 4(c) will not be complied with. This should be complied with before starting any drainage work.~~
- (C) ~~That the structural calculations and R.C.C. details have not been submitted.~~
- (D) ~~That a certificate required under Section 270-A of Bombay Municipal Corporation Act for adequate water supply will not be obtained from Hydraulic Engineer.~~
- (E) ~~That the requirements of bye-law No.5(c) will not be complied with, as the sanitary block lobbies do not abut open space.~~
- (F) ~~That an undertaking to hand over set-back land is not free of compensation is not submitted as the advantage is taken for Floor Space Index.~~
- (G) ~~That the documentary evidence regarding area, boundaries and ownership of the plots has not been produced or certified by the architects.~~
- (H) ~~That the road lines are not demarcated at site jointly with Sub-Engineer (Survey).~~
- (I) ~~That the hoarding as per type drawing on central pillar of Bandra Survey Office and as per section herewith is not provided before starting the work, if fencing only is to be provided.~~
- (J) ~~That the compound wall or fencing is not constructed clear of road widening line with foundation below level of bottom of road side drain, without obstructing flow of rain water from adjoining holdings to prove the possessions of holding before starting the work.~~
- (K) ~~That the flow of water through adjoining holding and culver if any, is not observed and maintained unobstructed.~~
- (L) ~~That the existing structures will not be demolished before commencing the work.~~
- ( ) ~~That proper gutters and down pipes are not intended to be put to prevent water dropping from the eaves of the roof on the public street.~~
- (M) ~~That the drainage work generally is not intended to be executed in accordance with the Municipal requirements.~~

Subject to your so modifying your intentions as to obviate the before mentioned objections and meet by requirements, but not otherwise you will be at liberty to proceed with the said building or work at any time before the 26th day of February 1967 but not so as to contravene any of the provisions of the said Act, as amended as aforesaid or any rules, regulation or by-laws made under that Act at the time in force.

It is to be understood that the foundations must be excavated down to hard soil and that this intimation gives no right to build upon ground which is not your property.

The positions of the niches and other appurtenances in the building should be so arranged as to facilitate the laying of drains inside the building.

The water arrangement must be carried out in strict accordance with the Municipal requirements.

Your attention is drawn to the objections and notes on the reverse.
