CONDITIONS OF CARRIAGE :

1. Said to be under Risk: All the consignments shall be deemed to be "under risk" from the time of delivery to the consignee and the consignee shall be responsible for the safety of the goods. However, the consignee shall not be liable for any loss or damage to the goods if the same are found to be damaged or lost after delivery to the consignee. The consignee shall be responsible for the safety of the goods if the same are found to be damaged or lost after delivery to the consignee.
2. Prohibited Items: The consignee shall not be allowed to ship any hazardous, inflammable, explosive, radioactive, toxic, corrosive, or other dangerous goods without the necessary permits and approvals. The consignee shall be responsible for the safety of the goods if the same are found to be damaged or lost after delivery to the consignee.
3. Loss or Damage: In case of loss, theft, damage, or misrouting of the goods, the consignee shall be responsible for the safety of the goods. The consignee shall be responsible for the safety of the goods if the same are found to be damaged or lost after delivery to the consignee.
4. No Service Area: Where the goods are not delivered to the consignee, the consignee shall be responsible for the safety of the goods. The consignee shall be responsible for the safety of the goods if the same are found to be damaged or lost after delivery to the consignee.
