8.	Clubhouse			Ground + Mezzanine + 1 <sup>st</sup> Floor + Second Floor + Terrace Floor	5,117.836	14.90
<b>Total Net BUA proposed in the scheme</b>					<b>1,74,228.30</b>	

- 8) If the construction is not commenced within a period of one year, this Commencement Certificate is renewable every year but such extended period shall be in no case exceed three years provided further that such lapse shall not bar any subsequent application for fresh permission under section 44 of Maharashtra Regional and Town Planning Act 1966.

- 9) All the conditions mentioned in Locational Clearance No. TPS/1710/1042/CR-29/10/UD-12 dated 07.09.2013 & TPS No. 1710/1042/CR. 29/12/UD-12 dated 06.09.2014 shall be binding on the applicant.
- 10) The project proponent shall strictly adhere the conditions applicable in Standardised Development Control and Promotion Regulations, 2013 for Regional Plans in Maharashtra sanctioned vide GR No: TPS-1812/157/CR71/12/REC No:34/12/RP/UD 13 DT.21.11.2013 as amended from time to time & the conditions applicable in Regional Plan for Mumbai Metropolitan Region sanctioned under Government Notification Urban Development Department No. TPS-1297/1094/CR-116/97/UD-12 dtd. 23.09.1999.
- 11) This permission is liable to be revoked by the MSRDC, as per the Regulation no. 10.2 of Standardised Development Control and Promotion Regulations, 2013 for Regional Plans in Maharashtra sanctioned vide GR No: TPS-1812/157/CR71/12/REC No: 34/12/RP//UD 13 DT.21.11.2013 as amended from time to time, if there is misrepresentation of material fact in the application/document submitted on the basis of which this Commencement Certificate is issued. Further, this Commencement Certificate shall be revoked, if any of the restrictions imposed by the MSRDC are contravened or not complied with.
- 12) This Commencement Certificate is based on the documents submitted by the Applicant / Developer. The responsibility of authenticity of the documents vests with the Applicant and his appointed licensed Architect/Engineer. This Commencement Certificate doesn't absolve the applicant any legal matter pending against him. The Authority shall not be held liable for any legal matter that may arise in future and the Applicant / Developer is solely responsible for settling for the same at his own cost.
- 13) In any case if there is any reservation marked in the Modified Draft/Sanctioned Development Plan, falling in the survey numbers under reference, then the project proponent shall not develop any activity there on in the said lands and shall surrender the said land on insistence of Authority as and when it demands.
- 14) This approval shall not be considered as a proof of Ownership, for any dispute in any court of law. In case of any suit pending in any court of law, the decision taken by Court or the orders passed by the Court in such matter shall be binding on the applicant.
- 15) The applicant shall pay to the Authority the costs, as may be determined by the Authority for provision and /or upgradation of infrastructure once the Authority finalises and demands for it.
- 16) The project proponent shall strictly follow the Prevailing Rules / Orders / Notification issued by the Labour Department, GoM from time to time, for labours working on site.
- 17) The amount of **Rs. 52,36,000.00/-** (Rupees Fifty-two lakhs thirty-six thousand only), deposited with the Authority as Security Deposit shall be forfeited either in whole or in part at the absolute discretion of the Authority for breach of any of the conditions stipulated in this Commencement Certificate. Such forfeiture shall be without prejudice to any other remedy or right to the authority.

- 18) Neither the granting of this permission nor the approval of the drawings and specification, nor the inspection made by the officials during the development shall in any way relieve Applicant/Developer/Architect/Structural Engineer/Supervisor or any licensed technical person of such development from full responsibility for carrying out the work in accordance with the requirement of all applicable Acts/Rules/Regulations.
- 19) The project proponent shall, permit the Authority to enter the building or premises for which the permission has been granted at any reasonable time for the purpose of enforcing these Acts/Rules/Regulations.
- 20) The project proponent shall make arrangement and provision for Rain Water Harvesting in accordance with the Regulation No. 35 of the Standardised Development Control and Promotion Regulations, 2013 for Regional Plans in Maharashtra.
- 21) The Project proponent shall not change the use, alter/amend the building plans, sub-divide or amalgamate the plots etc. without obtaining prior approvals from the Authority.
- 22) The Project proponent shall get the approved layout demarcated on the site by the land record department. The measurement plan shall be certified by the Land Records concerned department. The demarcation of approved layout on the site shall be carried out without altering the dimensions and area of the roads, open space or other reservations. The demarcated layout measurement plan certified by Land Records department shall be submitted before applying for Plinth Completion Certificate.
- 23) It is responsibility of project proponent to obtain potable water supply and permanent electric power supply connection before occupancy certificate.
- 24) The Project proponent shall provide at his own cost, the Infrastructural facilities (Such as Internal Access, channelization of water, arrangements of drinking water, arrangements for commutation, disposal of sludge and sewage, arrangement of collection of solid waste etc.) within the plot, before applying for Occupancy Certificate. Occupancy Certificate will be granted only after all these arrangements are made up to the satisfaction of the Authority. No construction on sub-divided plots will be allowed unless internal roads and Drainage lines are constructed to the satisfaction of the Authority.
- 25) That Project proponent shall pay all the dues before seeking Occupancy Certificate.
- 26) This Certificate is liable to be revoked by, MSRDC-SPA if-
- a. Any of the Conditions subject to which this Commencement Certificate is granted or any of the restrictions imposed by MSRDC-SPA is contravened or it is not complied with
  - b. MSRDC-SPA is satisfied that this Permission is obtained through fraud or misinterpretation
- 27) The internal roads within this approved layout and those connecting to adjacent plots shall form part of Public Street. The applicant/ Developer shall develop and maintain the same at his own cost till such time the Authority invokes the Reg. no. 13.2.3.3 of Standardised Development Control and Promotion Regulations for Regional Plans in

Maharashtra sanctioned vide TPS-1812/157/CR71/12/REC No: 34/12/RP/UD-13 dtd.21.11.2013. The project proponent shall not restrain the public from using it.

- 28) The project Proponent shall submit the revised Provisional Fire NOC as per the Sanctioned Plans from the competent authority before applying for Plinth Completion Certificate.
- 29) The project proponent shall appraise to State Level Environment Impact Assessment Authority (SEIAA) on the changes made in the plan/ scope, if any, that was submitted to them for seeking clearance. The copy of the correspondence may be submitted to this Authority before applying for Plinth Completion Certificate.
- 30) The Conditions stipulated by the SEIAA vide letter dated 25.06.2020 should scrupulously followed by the project proponent.
- 31) The project proponent shall submit Revised Consent to Establish from MPCB shall be submitted before applying for Plinth Completion Certificate
- 32) The Project proponent while undertaking the Development on land shall preserve existing trees. Where trees are required to be felled, 2 trees shall be planted for every tree to be felled. Cutting/felling of trees shall be carried with prior approval of Authority concerned. Every plot of land shall have atleast 1 tree for every 100 sq.mt. or part thereof, of the plot area. Where the number of existing trees in the plot is less than the above prescribed standard, additional number of trees shall be planted.
- 33) The general stipulations mentioned in the sanctioned ITP policy dated 08.03.2019 shall apply *mutatis mutandis*
- 34) Refuge floors as shown in the Building Plans shall always be kept open for easy evacuation in case of fire.
- 35) Notwithstanding anything contained in the Development Control Regulations, the Development Plan provisions or the approvals granted/being granted to the project proponent ; it shall be lawful on the part of Authority to impose new conditions for compliance as may be required and deemed fit to adhere to any general or specific orders or directives or any Court of law, Central/State Government, Central / State PSU, Local Authority or any Public Authority as may be issued by them from time to time.
- 36) Any statutory taxes due to be paid, shall be paid by the project proponent as and when this authority issue such notices.
- 37) The conditions as mentioned in all the previous sanctions / approvals/ clearances and by various authorities while granting NOCs shall be strictly adhered to wherever applicable.
- 38) Various undertaking submitted by project proponent regarding submission of Revised Provisional Fire NOC, submission of Revised MPCB NOC should be strictly adhered to.

39) It shall be binding on project proponent to provide the access to the proposed site as per Sanctioned Integrated Township Layout. Further, the internal roads have to be developed and maintained by the project proponent as per Sanctioned Layout till Final O.C. Stage.

A Set of Certified Plans (1 Set – 54 No. of Drawing sheets) for Residential Buildings is enclosed herewith.
