42. No construction on sub-divided plots will be allowed unless internal road and gutters are constructed to the satisfaction of the Corporation.
43. The applicant while undertaking the development on land shall preserve, as far as practicable existing trees. Where trees are required to be felled, 5 trees shall be planted for every tree to be felled. Cutting / felling of trees shall be carried with prior approval of the Tree Authority concerned.
44. Every plot of land shall have at least 1 tree for every 100 sqmt or part thereof, of the plot area. Where the number of existing trees in the plot is less than the above prescribed standard, additional number of new trees shall be planted.

*Stain*

45. Where the tree authority having jurisdiction in the area under development has prescribed standards or regulations in respect of preservation of trees under Maharashtra (Urban Area) Preservation of Trees Act, 1975, the same shall prevail.
46. The applicant shall get the approved layout demarcated on the site by the licensed Surveyors. The measurement plan shall be certified by the DILR, concerned. The demarcation of approved layout on the site shall be carried out without altering the dimensions and area of the roads, open space or other reservations. The demarcated layout measurement plan certified by DILR shall be submitted before applying for first plinth completion certificate.
47. In case of any discrepancies observed in the approved plans vis-a-vis the consolidated map issued by Dy.SLR, which will affect the layout, buildings etc with respect to the requirement of DCRs or any conditions in the NOC's that are not submitted prior to this approval, but are required to be or will be submitted subsequently (such as Railways, Highways, CRZ, Electric Authorities for HT lines etc), the applicant shall have to accordingly amend the lay-out, locations of buildings etc and obtain fresh Commencement Certificate for the same from the Corporation and then only proceed with the construction activity.
48. The structural Design including the aspects pertaining to seismic activity, Building materials, Plumbing Services, Fire Protection, water supply, Electrical installation etc. shall be in accordance with the provisions prescribed in the National Building Code and/or Development Control Regulations, in force.
49. The formation level of the land shall be achieved as per the Engineering report, according to the specified R.L. Further, the required arrangements of storm water drain and septic tank /STP or any other arrangement as may be prescribed shall have to be provided as per the specifications.
50. The applicant shall submit to the Corporation the scheme of the development of the determined compulsory recreational space and develop it in accordance with the approved scheme
51. The applicant shall not change the use, alter/amend the building plans, sub-divide or amalgamate the plots etc. without obtaining prior approvals from the Corporation. Also no changes in the Recreational Ground (RG) and amenity space area and their locations will be permitted.
52. If applicable, Open space shown in the layout shall be kept open permanently and shall be handed over to the Corporation.
53. If applicable, the applicant shall construct the society office/room as proposed and approved in the plan and it shall not be used for any other purpose. This society office/room shall be handed over to the Co-operative housing Society to be formed in due course.
54. If applicable, the applicant shall construct the Common Facility Center (CFC) / amenity space, if any as proposed and approved in the plan and shall use it for the intended purpose only.

55. The applicant shall make suitable arrangements for temporary accommodation and permanent accommodation of the tenants, if any, in case of redevelopment schemes and will also submit a proposal to that effect. Plinth Completion Certificate shall be issued only after such a proposal is received.
56. In case, for the portion of the compound wall rounded off at the corner at road junctions, M.S. grills over 0.75 m of brick work, up to the height of 1.5 m from the ground shall be provided.
57. The applicant shall provide the solar water heating systems in the buildings, as may be applicable.
58. Notwithstanding anything contained in the Development Control Regulations, the Development Plan provisions or the approvals granted / being granted to The applicant; it shall be lawful on the part of the Corporation to impose new conditions for compliance as may be required and deemed fit to adhere to any general or specific orders or directives of any Court of Law, Central / State Government, Central / State PSU, Local Authority or any public Authority as may be issued by them from time to time.
59. You shall pay conversion tax, non-agricultural assessment and wherever applicable, nazarana or premium and other government dues as per provision of section 42B of the MLR Code 1966 to the revenue department and submit receipt of the same to this office before applying for PCC.
