Page 6 of 11

- To assess the Fair Market Value by Land and Building method, the land rate of Rs.10,000.00 per Sqm is considered which is fair & reasonable.
- The cost of construction after completion is arrived as per the proposed estimates.
- The value of construction may deviate due to change in construction specification.

Undertaking:

- 1. I have / our / representative Md. Shareq Salim Md. Jilani Pasha (Technical Assistant) has inspected the subject property on 29.11.2024 along with Owner's Representative Mrs. Radhika Sainath Pujarwad identified the same based on the documents provided.
- 2. I/We have no direct or Indirect interest in the property being valued.
- 3. The information furnished above is true and correct to my/our knowledge
- 4. If we have not been dismissed or removed from govt. Service or convicted of an offence connected with any proceedings of income tax act, wealth tax act or gift tax act or have been blacklisted by any bank/ financial institution/ govt. Department/ public sector enterprise/ body corporate etc.
- 5. This valuation is prepared without any prejudice or bias to any person or institution.
- 6. The value of land is taken into account by making due enquires in the locality and ascertaining the sales value of the properties in the locality.
- 7. Any additions/alterations made to the property after the date of valuations shall not fall under the scope of this report.
